

EGGAN NACHSON

+31 6 8472 7383 | nachson21@gmail.com | Portfolio → eggan.vercel.app

Master's graduate in Intelligence & Strategic Studies from the University of Indonesia, currently pursuing a Master's in Data-Driven Business at The Hague University of Applied Sciences in the Netherlands. Experienced in AI-driven technology, data analytics, project management, banking, business development, and strategic partnerships, with professional experience spanning AI-driven EdTech, banking operations, MSME financing, community development, and external relations.

Work Experience

MatchupSkills.id - jakarta — Jul 2023 - Present

AI Product Lead

AI-driven EdTech platform focused on personalized skill-to-career matching.

- Directed cross-functional operations for a four-division community and recruitment program, building the systems used to coordinate dozens of contributors.
- Redesigned the platform's AI content-generation pipeline (parallel-chunk processing with automatic retry/fallback), cutting generation failures by over 90% across all test-prep modules.
- Owned product roadmap for an AI-driven test-prep and pricing platform, translating feedback from 30+ partners into a monthly cadence of shipped features.

Universitas Indonesia — RISE Research Team - Jakarta, Indonesia — Jan 2025 - Jan 2026

AI & Data Research Assistant (Part-Time)

Interdisciplinary research team at Universitas Indonesia

- Designed and built an AI- and OSINT-based food-security monitoring dashboard for six districts in North Jakarta, integrating real-time spatial, pricing, and household-harvest data for a government food-security agency partner.
- Contributed AI-system design across two funded research initiatives — a university innovation grant and a national research competition — supporting household food-resilience frameworks aligned with FAO's Food Insecurity Experience Scale (FIES).
- Authored monthly policy briefs and resilience-index reports translating dashboard and research data into actionable recommendations for public-sector partners.

Bank BRI - jakarta, Indonesia — Jul 2021 - Jan 2025

Relationship Manager

Banking Office

- Managed MSME portfolio of 500+ clients across retail segment
- Achieved 98% claim approval and 97% on-time disbursement
- Reduced processing errors by 90% and improved efficiency by 95%
